We have to replace our aging HVAC at the clubhouse. We are in the midst of getting numerous bids.

One of our new monument spot lights, at the entrance of Big Springs, was damaged. We are getting it repaired as well.

We had a leak from one of the bathrooms into the office, the carpet was soaked. We will replace the damaged carpet with flooring that was previously purchased specifically for the office.

The Annual Food Drive is taking place right now at the Clubhouse. The doors will be unlocked from 7am to 7pm. The food drive runs through November 15th.

Leaf pick up starts November 9th and goes for four (4) weeks
Leaf bags only no plastic bags

Good news!! No dues increase for 2024.
