

## EAGLE SPRINGS NEWS & NOTES OCTOBER 2024

The crumbling sidewalks on Big Springs were reported to ACHD in March 2022. This was their response:

***Thank you for reaching out to the Ada County Highway District concerning the needed concrete repairs along Big Springs Blvd. We've identified 590 linear feet of sidewalk and curb and gutter that meets criteria for replacement along with two pedestrian ramps. This large repair project is estimated at \$200,000.00, and is programmed to occur in 2025.***

The pool will remain open in 2025 until mid September.

We will be installing another dog waste station on Horseshoe Bend Road. It will be on the stretch between Blacktail & Prairie.

We will also be adding some more loungers at the pool in 2025. The white ones will be given away...if you would like one, contact [TracyLAyers@gmail.com](mailto:TracyLAyers@gmail.com). We have about 4-6 of them.

The pathway between Lariat and Cayuse will also be fixed of the bumps & lumps.

You can access the results of the survey and comments by homeowners on our Eagle Springs website:

Some of these upcoming projects are in direct response to the survey that was done. We had 107 or 45% of homeowners respond to the survey. Thank you to all who responded and took the time to fill out the survey.

***We would like to thank Heather and Amy for their efforts in making this survey possible! It has been very valuable. THANK YOU LADIES FOR YOUR EFFORTS & HARD WORK!***
