

## ***EAGLE SPRINGS NEWS & NOTES!***

Just a couple of additions to our recent newsletter.

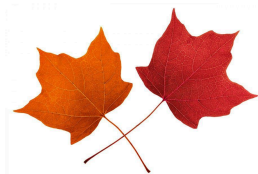

**Our last food truck is October 8th from 5 - 7 pm at our Clubhouse. Trucks will resume in Spring/Summer of 2026.**

### ***“MELT”***

***Grilled Cheese sandwiches and tomato soup.***

- **A HUGE SHOUT OUT TO:** Ellie Schatz and Cindy Tvinnereim for their time and effort to go to several nurseries around our area to place orders for eight (8) trees that will be planted along Horseshoe Bend Road. We have four (4) Eastern Redbuds and four (4) Autumn Brilliance Serviceberry. The trees chosen will provide nice color during the fall changing of the leaves and will not interfere with the Idaho Power lines.
- **ALSO A BIG THANK YOU TO:** Shelley Barrutia for doing our Eagle Springs Newsletter.
- As a reminder, the Clubhouse is available for use during the Holidays for parties or family gatherings. Please fill out the clubhouse reservation form on the Sentry Site or go to [Eaglespringshomeowners.com](http://Eaglespringshomeowners.com). Then print and scan the form to April @ [aarnold@sentygmt.com](mailto:aarnold@sentygmt.com).

Happy Fall!
